PROFESSIONAL PROFILE

Recent BSc Information Technology graduate (Computer Science & Informatics) with a strong interest in building clean, intuitive software that solves real problems. I enjoy writing purposeful code and designing user-focused systems. I'm driven, adaptable, and eager to grow while contributing meaningfully in a collaborative team environment.

CORE SKILLS

- Front End (**ASP.NET, Next.js, React**)
- Databases(**MSSQL, PostgreSQL, MongoDB**)
- Core Languages (**Java, C#, Js/Ts**)
- UI/UX Design (**Figma / Photoshop / Framer**)
- Backend and APIs (**Web API C#, Node.Js**)
- Mobile Development (**React Native**)
- Data Analytics/Visualisation (**PowerBI**)
- Collaboration & Communication (**Github**)

EDUCATION

- **BSc Information Technology** | University of Johannesburg | Jan 2022 – Nov 2025 | Majoring in Computer Science and Informatics
- **National Senior Certificate** | Bracken High School | Jan 2017 – Dec 2021 |
  Key Achievements
    - *Trophy for Top Matric Learner in Computer Applications Technology (83%)*
    - *RCL Prefect / Leader*

CAREER SUMMARY

Feb 2024 – Apr 2024   **Mbungela Consulting,** 16 Empire Road, Parktown
                                  Call Centre Agent

Outline

Gained valuable sales experience conducting cold calls and promoting MiWay Life Insurance products demonstrating strong communication skills and customer relationship management.

Key Achievements
- *Recognised as the junior agent with the most transfers in the first 30-day cycle.*

Oct 2022 – Apr 2023   **Tokoos Studios (Pty) Ltd**, 55 King George Street, Braam
                              Internet Café Assistant / IT Customer Assistant

Outline

Worked as an Internet Café Assistant at Tokoos Studio, providing tech support and operating printing equipment. Handled cash and inventory, designed marketing materials, and delivered 24/7 client support. Gained hands-on experience with hardware, customer service, and visual design.
